3	<p>Student Report</p> <p>Hi, I'm Brianna, and I am in Mr. Elia's class.</p> <p>I'm Aubree, I'm also in Mr. Elia's class.</p> <p>We are both part of 8 student reps for the school council. Today we are here to share an update.</p> <p>Both our intermediate basketball teams did very well in their seasons. We appreciate the staff and one parent who helped coach this season. We will soon have badminton tryouts for intermediates.</p> <p>The Robotics Club did very well in their competitions against other schools and our 4 junior students will be going to the finals tonight at Jeanne Sauve.</p> <p>A DSNB Stem Expo is coming up next Tuesday where we have four Grade 7 students and four Grade 8 students attending for the day. We are very lucky to have Mr. Elia and Mr. Wiebe who are helping at this event.</p> <p>The Kindergarten open house on Thursday, February 1st was a blast, and we are excited to have new students coming for JK! We have had 26 students register so far.</p>

On the 15th of February, our Term 1 report cards were handed out to our brilliant students, and we know everyone worked hard. Hopefully, all students are setting goals for Term 2.

Grade 8 Grad photos recently came back to families!

We also had Everything Pink Day (known as Pink Shirt Day) today. We have it called this now so that everyone has an opportunity to find something pink to wear. We have had announcements all week sharing information and challenging our thinking about how we can better treat each other.

The Dance-a-thon is coming up soon on Friday, April 12th, it has a spring theme this year. We are calling it "Jumping Into Spring". We know that the school council will be talking more tonight about this event.

World Down Syndrome Day is Wednesday, March 21st, we are lucky to have a parent - Mrs. Belanger (to three students in our school) who will talk to several classes about Down Syndrome.

During February, we celebrated black history month. Students in Grades 1 to 8 shared their learning and beautiful student-created information on some important people on our morning announcements. You can see the bulletin board pictures in the March newsletter.

During our delicious Krispy Kreme doughnuts fundraiser from Mississauga. We sold six hundred sixty (660) boxes.

Some amazing students in our school made some awesome friendship chains that go around our school brightening the hallways with kind messages!

Mad Science and Dance Club are now finished for students.

We recently have been ordering different lunches. Our students have been enjoying the variety.

We know Miss Findlay and Mrs. Steenhuis shared some of the upcoming dates with you.

Administration's Report – February 28th, Meeting

Thank you again for being an amazing school council. On behalf of the staff, we want to thank you for all of the support you constantly give the staff and to Shanna and I. We have had a great start-up. We truly appreciate the great communication, feedback and kind words.

5 **Bingo Report**

January 2024: $\$773.66 \times 2 = \$1,574.31$
\$386.83 earned per volunteer = \$193.42/hr

Delta has given us the new schedule; it is only for the first 6 months of their fiscal year. We will receive the back half in a few months as the City is making changes to the program. What are the changes? We do not know yet but that is the word from the higher ups.

We have been assigned the same time slots of Thursdays at 1:30pm and Fridays at 9:30pm. The shifts have been added to the Sign-Up Genius and are open for the taking!

There are currently 27 shifts that need to be filled to cover all slots until September 2024. Friday March 1 at 9:30PM needs one volunteer.

Our license renewal was submitted and approved! A component of the approval process includes if we are an organization meeting the requirements of holding the license by providing consistent and dedicated volunteers. Team Bingo for Lockview is still holding on to a perfect record! Thank you everyone!

6 **Discussion/Ideas Brought Forward**

Old Business follow up:

- We are still trying to figure out a pancake date.
- Vaping Presentation – trying to set up a date for this
- Dance-A-Thon April 12th – Need a committee to move forward. Chair’s will be Adelaide Lepp & Thea Schreiber – members to include, Kerri Runcan, Kim Browning, Jamie Pozzebon, Jenn McKenzie. Will meet Virtually Monday March 4th at 7:00 pm.
- Would appreciate it if everyone could help with a donation for Dance-A-Thon prizes.
- Updating the Lockview Constitution – The committee has met and they will come back at another meeting to discuss.
- Community Survey – Is being revised (will be sent to the families of Lockview).
- Playground Sub Committee – looking at dates to meet.

New Business:

- Track & Field – Will be held at Governor Simcoe field May 13 (Rain date May 15th). Grades 4 to 8 and we will need 8 staff for the event. This will be optional for students to participate. The jumping events will happen at Lockview. Parents are able to come and watch.
- Graduation funds – Cost of year books as previously approved up to \$750.00
- Principle Profile – Questions for the council to complete and will be kept at the school going forward (best to do in person).
- Can we do a Lockview Shirt Swap or donation of some sort as we have families that have shirts they can no longer use and others may be able to. Shanna to look into the best way to proceed. Every new student does get a shirt when they come to Lockview and they can be purchased when available on school cash online.
- Still waiting to hear from Paul Davis for presentation
- OWL can we use this for our next Virtual meeting – Yes they are tweaking this so its more effective during meetings
- Parking Lot – Can we come up with a better way to have kids get to parents to help ease the parking lot congestion before and after school.
- Can we make up a one page School Council Information pamphlet to be given with the new student package for Kindergarten registration – Adelaide Lepp with create a one page document
