

## STARTING SOON AT YOUR SCHOOL

A 6-week science club running during nutrition break. Get your kids excited about science!

### PROGRAM DETAILS:

Day/Time: Tuesdays, 12:25 PM - 1:15 PM

Date: Jan 21, 28, Feb 4, 11, 18, 25

Cost: \$70 for a 6-week program

### IMPORTANT INFORMATION:

Mad Science Office: 905-937-1878

[www.niagara.madscience.org](http://www.niagara.madscience.org)

### 6 COMPLETELY NEW TOPICS FROM LAST TIME

#### Earthworks

Discover what the Earth is composed of and how various forces combine to create rocks and minerals. Uncover the forces that create earthquakes, the natural faults in the Earth's crust and even how mountains are formed.

#### Kitchen Chemistry

Science is happening right in your kitchen. Explore how the ingredients in your fridge and cupboards not only power your body, but can also power some cool and easy chemistry.

#### Behind the Silver Screen

Discover why science is the real star on the big screen! Explore the concept of persistence of vision and how we are able to see movies and animations.

#### Science of Toys

Did you know that some of your favourite toys work using basic science principles? Use bouncing balls, yo-yos and other classic toys to discover the science of motion through fun hands-on activities.

#### Mad Science Machines

Find out how simple machines make our lives easier. Try out different types of simple machines: levers, wedges, inclined planes, wheels and axles, and pulleys, through various hands-on activities.

#### Bugs

Explore the world of icky creepy, but totally cool insects. Find out what makes a bug a bug, and check out some of the awesome things they can do. See the world through a bug's eyes with your own Insect-a-vision!

## HOW TO REGISTER - Do not send to school

Register Online: [niagara.madscience.org](http://niagara.madscience.org)

OR if you do not have access to the internet, you may call the Mad Science Lab @ 905-937-1878

### Registration Due Date: 18/Dec/2019

We will do our best to accommodate all interested students, but classes have limited spaces, enrolments are taken on a first come first served basis.

We may not be able to accommodate registrations received after the due date, and a \$5 administration fee will apply.

**Payments Accepted:** Our online system can process credit cards, or you can click the 'check' option if you would like to send payment by mail or email. The address for mailed cheques is on the back of this page, please include a printout of the receipt. Details on sending an Etransfer from your bank is available online at [eleo.link/netrans](http://eleo.link/netrans) ([lab@madscienceofniagara.com](mailto:lab@madscienceofniagara.com) - use greenslime as the answer to the security question and include the name of your child and the school in the notes)

Third Child Discount: Use '3rdchild' code if you have more than 2 kids

### DO NOT FORGET

Classes involve group work and may not be the optimal environment for children who require one to one support. Make sure to provide detailed health/behaviour/allergy/phobia information in the health box of the online registration. Please include whether allergies are anaphylactic or not. If your child has an epipen or rescue inhaler, please let us know where it is located (we recommend that children carry these items on their person for Clubs that run after school, as the Mad Scientist may not have easy access to all areas of the school) Make sure to read the back of this form for other important club information.

- ✳ Mad Science is held at your child's school (or the location designated). All supplies and materials are included in the class fee. Students will be grouped by like grades when there is sufficient enrolment. Class sizes range from 12-20.
- ✳ Financial assistance may be available. Visit [eleo.link/aid](http://eleo.link/aid)
- ✳ To receive a 20% discount on 3rd and subsequent siblings enrolled, use our online registration with coupon code: 3rdchild
- ✳ Date cheques for the registration deadline or contact us to post date. A \$35 fee will be charged for cheques returned NSF, and further collections charges may apply.
- ✳ Additional activities supporting the class material is available on the website. Also check our facebook page.
- ✳ If you know in advance of the start of the program that your child is going to miss a class, call us to arrange a refund of \$10 per missed day. After the start of the program, missed classes cannot be refunded. Cancellation requests made before the 2nd day of the Club will receive a full refund, after that a \$10 administration fee will apply.
- ✳ Mad Science is not responsible for children before or after the stated class times. We will work with the school and parents to facilitate the transition of students to and from our programs.
- ✳ If your child is being picked up after the Club, you must meet them at the designated area. If our staff is forced to remain more than 15 minutes after the end of a class caring for an unattended child, late parents will be billed at the rate of \$1 per minute from the end of class to the time the child is picked up.
- ✳ When positive reinforcement methods fail, we have a '3 strikes and you're out' discipline policy, consisting of loss of class privileges, phone call home and expulsion from the program.
- ✳ If buses are cancelled or schools are closed, the Mad Science Club will also be rescheduled.
